<p><b>Applies to:</b> All applicants for registration as a Nurse Practitioner (NP) with the Registered Nurses Association of the Northwest Territories and Nunavut (RNANT/NU).</p>	
<p><b>Purpose:</b> This policy outlines the requirements for registration as a nurse practitioner in the Northwest Territories and Nunavut. These requirements are in addition to, or in clarification of, those found in the Nursing Profession Act (2003), Consolidation of the Nursing Act (1998), and RNANT/NU Bylaws.</p>	

### Definitions:

**Good Character** – refers to the moral and ethical qualities expected by the general public of a professional nurse. Examples of such qualities include: integrity, trustworthiness, commitment to caring for others, honesty, accountability, reliability, ability to distinguish right and wrong, avoidance of aggression to self and others, and taking responsibility for one’s own actions (Commonwealth of Massachusetts, 2016).

**Good Standing** - Per Bylaw 2, s3(1)(f)(ii), an individual is in good standing if deemed to be in good standing by all current or former regulatory authorities where registration was held. Additionally, the individual is not currently the subject of any investigations, undertakings, conditions or consensual agreements related to continuing competence requirements or discipline.

**Fitness to Practice** - all the qualities and capabilities of an individual relevant to their capacity to practice as a nurse practitioner, including but not limited to, freedom from any:

- i. cognitive;
- ii. physical;
- iii. psychological;
- iv. emotional condition; or
- v. dependence on alcohol or drugs impairing her or his ability to practice nursing (CNA, 2017).

**English Fluency** – defined as the primary language used to read, write, listen and speak.

### Policy:

The following items are required for registration as a nurse practitioner with RNANT/NU:

- (1) The applicant must pay the fee as outlined in Policy R16.

 <p>Registered Nurses Association of the Northwest Territories and Nunavut</p> <p>Page: 2 of 7</p>	<p>Registration Policy</p> <p>Policy Description: Nurse Practitioner Requirements</p> <p>Policy Number: R02</p>
---	---

(2) The applicant must provide:

a) **A copy of one of the following for proof of identification. All documentation must be government-issued, in colour, contain a signature, and be current:**

- i. passport or another government-issued photo ID (for example, Driver's License); or
- ii. notarized statutory declaration of identity.

**Note:** Where there has been a name change, one of the following is required:

- a marriage certificate; or
- divorce decree; or
- notarized statutory declaration of legal name change.

b) **Evidence of fluency in English**

Upon application to RNANT/NU for registration, all applicants must demonstrate proficiency in the English language by meeting one of the following requirements:

- 1) Graduation from an approved Canadian nursing program where theory and clinical instruction was in English. Online or distance education programs are not acceptable for evidence of fluency; or
- 2) Employer reference(s) (Form D) showing evidence of safe practice and where the primary language, practice setting, and services are in an English speaking and writing environment for the previous two years as a Registered Nurse in Canada; or
- 3) Applicant met the English language proficiency test requirement at the time of registration with another Canadian jurisdiction and has continued to work in an English-speaking and writing environment since that time; or
- 4) Demonstration of English language competence through successful completion of one of the following tests of English within the last 2 years:
  - Canadian English Language Benchmark Assessment for Nurses (CELBAN)
  - International English Language System (IELTS) Academic Version.

---	---

The scores on these tests used to determine proficiency in the English language are:

Test	CELBAN	IELTS Academic
Writing	7	6.5
Speaking	8	7
Listening	9	7.0
Reading	8	6.5
Total	N/A	7

- i. The applicant cannot mix and match various tests or test components to achieve a passing score.
- ii. An official copy of test results must be submitted with the registration application. If your examination results do not meet the above requirements, you will be required to retake one of the accepted English proficiency examinations.
- iii. The registration applicant is financially responsible for all costs related to English testing.

Note: All registration documentation provided to RNANT/NU should be provided in English. It is the financial responsibility of the registration applicant for any English translation costs.

**c) Evidence of sufficient nursing hours of practice**

The applicant must either:

- i. provide one or more Employer Reference Form(s) completed by previous employers of the applicant. This will certify the applicant engaged in the practice of nursing as a nurse practitioner for a minimum of 1125 hours in the last four years immediately preceding the application; or
- ii. satisfy RNANT/NU they have completed a suitable equivalency to 1125 hours of nursing practice as a nurse practitioner in the four years immediately preceding the application as defined in RNANT/NU Policy R09, Practice Hours for RNs and NPs.

- e) After January 1, 2017 - A controlled drugs and substances course included in the core curriculum of an approved Canadian NP program and equivalent in content to the courses described in sub-paragraphs a, b, and c.

Evidence of completion for all NP applications:

**Note:** NPs who have completed the “RNANT/NU Education Package for Nurse Practitioners Prescribing Controlled Drugs and Substances” prior to January 1, 2016, and who remain registered as active practicing NPs with RNANT/NU, will have this recognized. NPs who are applying for reinstatement with RNANT/NU will have to complete one of the above specified courses.

**Conditions and Exceptions:**

- (1) Nurse Practitioner applicants from another Canadian jurisdiction will not be required to write the CNPE: F/AA to be registered in the Northwest Territories and Nunavut if they were required to write an equivalent competency based examination to be registered as a NP in another Canadian jurisdiction. This exception is in accordance with the terms and conditions outlined in the Agreement on Internal Trade, Article 707.
- (2) As of January 1, 2010, a Nurse Practitioner working in a Community Health Nurse position will no longer have those hours counted as Nurse Practitioner practice hours.
- (3) Nurse Practitioners registered with RNANT/NU will be entered in the Registered Nurse Register and Nurse Practitioner Register and may work in the capacity of an RN or NP.
- (4) An applicant that has disclosed a criminal conviction for an offense under the Criminal Code (Canada), the Controlled Drugs and Substances Act (Canada), or the Food and Drugs Act (Canada) must provide sufficient evidence about the conviction to the Director of Regulatory Services and Policy as outlined in Policy 1.1: Criminal Convictions.
- (5) If an applicant has not disclosed on the registration application a previous or current investigation, undertaking, conditions, suspension or revocation of their licence/registration in all jurisdictions where they have been employed, the application may be denied by the Registrar. The applicant could choose to appeal this decision and have their application reviewed by the Registration Committee.
- (6) Registration Update
